VENTURA COUNTY HEALTH CARE AGENCY

ARE YOU A HEALTH CARE WORKER AT AN AFFILIATED CLINIC WHO IS ILL OR HAS BEEN EXPOSED TO COVID-19 AT WORK?

Have you had an unprotected exposure to a confirmed COVID-19 case without wearing full PPE at work?

Are you asymptomatic?

If you are a physician/provider: Notify Dr. Leah Kory via Tiger Text or VCMC Page Operator at 805-652-6075 for health screening.

If you are an employee at an affiliated clinic: Notify the Outpatient Infection Prevention Team at 805-515-6303 for a health screening.

Infection Prevention advises you that you do need to be tested.

Go to designated Urgent Care. Specimen will be collected via swab and sent to Public Health lab to be tested.

You didn’t get an immediate response, and you’re experiencing severe symptoms.

Go home and self isolate. Should have test results within 24-48 hours.

You will be notified of results, and return to work will be determined based on test results, resolution of symptoms, and clearance by Dr. Kory or Outpatient Infection Prevention.

Return to work will be based on resolution of symptoms and clearance by Dr. Kory or Outpatient Infection Prevention.

Are you experiencing: Fever*, New Cough or Shortness of Breath, Muscle/Joint aches, loss of smell or taste?

Are you experiencing: Fever*, New Cough or Shortness of Breath, Muscle/Joint aches, loss of smell or taste without known exposure?

You are advised you that you do not need to be tested.

Are you asymptomatic?

Go to your local urgent care/ER or call 9-1-1.

You didn’t get an immediate response, and you’re experiencing severe symptoms.
